The Ambulance Driver's Perspective

Brief Speaker Bio

Kelly Grayson has been a Critical Care Paramedic and EMS Educator for over fifteen years. He teaches extensively in all of the "alphabet soup" disciplines such as ACLS, PALS, BLS, PHTLS, PEPP, GEMS, AMLS and so on, and has taught, coordinated and administered all levels of EMT courses, from First Responder through Paramedic. A former president of the Louisiana EMS Instructor Society and board member of the LA Association of Nationally Registered EMTs, he currently works as a critical care paramedic for Acadian Ambulance. His current book, "En Route: A Paramedic's Stories of Life, Death and Everything In Between" is available on-line and at booksellers nationwide.
